

## Location Plan and Details of Replacement Site at Ang Mo Kio Drive

The replacement site at Ang Mo Kio Drive will comprise six residential blocks of 17/25 storeys high, offering about 1,065 units of 2-room Flexi, 3-room, and 4-room flats. A wide variety of recreational and communal facilities, such as a children's playground, fitness stations, sheltered rest areas, carpark roof garden and precinct pavilions will be provided in the precinct. There will also be a childcare centre for the convenience of families with young children.

Not drawn to scale.

### Notes:

1. All proposed developments and facilities as well as their locations shown are indicative only and subject to change and planning approval. The implementation of such proposed developments and facilities is subject to review from time to time by the relevant authorities.
2. Proposed Place of Worship includes examples such as Church, Mosque, Chinese Temple, Hindu Temple, etc.
3. Proposed Health & Medical Care includes examples such as Hospitals, Polyclinics, Clinics, Nursing Homes and Eldercare Facilities, etc.
4. The developments and facilities shown (whether existing or proposed) may include other ancillary uses allowed under URA's prevailing Development Control guidelines. For example, places of worship and funeral parlours may include columbarium, community centres may include childcare centres and schools may be upgraded or built with higher-rise blocks.
5. In view of the Covid-19 situation, temporary Covid-19 related facilities may be set up near residential areas by the relevant authorities.
6. Guangyang Primary School and Townsville Primary School will merge in 2023 at the site of Townsville Primary School.
