

Building up Tengah Town: Progress Milestones at a Glance

August 2023: The first batch of Tengah residents collected the keys to their new homes at Plantation Acres and Plantation Grange, which were the first two HDB housing projects to complete in Tengah.

September 2023: The first bus service in Tengah – Service 992 – commenced operation, calling at Bus Stop 40381 outside Plantation Acres. Service 992 connected residents to the Bukit Batok MRT station and bus interchange, as well as key en-route amenities such as the supermarket and eating house at Block 440 Bukit Batok West Ave 8, Le Quest shopping mall, Bukit Batok Polyclinic, Civil Service Club @ Bukit Batok and West Mall. Since then, several more bus services have commenced operations in Tengah.

November 2023: HDB worked with NTUC FairPrice to deploy a mobile grocery truck service to serve the residents of Tengah. The truck was stationed at Tengah three days a week, and residents could purchase staples and essential items such as bread, rice, milk, fresh produce, canned/ instant foods, household goods and toiletries. With the opening of Tengah's first supermarket at Plantation Plaza, the grocery truck service ceased operation on 28 June 2024.

December 2023: Three vending machines began operations at Block 111A in Plantation Acres, to provide residents with food and drink options, including hot food, on a 24-7 basis.

End-January 2024: The final residential blocks in Plantation Village were completed. Plantation Village is integrated with Tengah's first NC – Plantation Plaza.

May to October 2024: The first projects in the Garden district, Garden Vines @ Tengah and Garden Vale @ Tengah, Garden Court @ Tengah and Garden Terrace @ Tengah, completed construction.

June 2024: Tengah's first NC, Plantation Plaza, commenced operations with the opening of Giant supermarket and Koufu food court. The NC comprises a total of 75 shops, offering a variety of dining, retail, services and recreational options.

July 2024: Tengah Bus Interchange commenced operations, providing residents with improved transport connectivity. Bus Services 870 and 992, which were loop services, were extended to serve the new interchange and became bi-directional services. A new bus service, 871, was also introduced to connect Tengah New Town with Bukit Gombak and Beauty World.

August to September 2024: Tengah's first two preschools commenced operations in Plantation District – one in Plantation Grange in August, and another in Plantation Acres in September. As of end November 2025, eight preschools are currently operating in Tengah, while six more preschools are expected to commence operations progressively by 1Q 2026.

October 2024: Slip roads connecting Tengah Town and PIE(Changi-bound) via Tengah Boulevard were opened.

December 2024: Construction works were completed on the Plantation Farmway in Plantation District, as well as the community club located opposite Plantation Plaza.

December 2024 to November 2025: Residents collected keys to their new homes in the first batch of housing projects in Park District – Parc Glen @ Tengah and Parc Clover @ Tengah, Parc Woods @ Tengah, Parc Flora @ Tengah and Parc Residences @ Tengah.

March 2025: The Tengah Community Club located opposite Plantation Plaza commenced operations.

May to June 2025: Precinct shops at Garden Vines @ Tengah were opened, including an eating house and a supermarket. The first four preschools in Garden District commenced operations.

End-October 2025: Construction works for Parc Point were completed.

November 2025: Progressive opening of the active spaces at Parc Residences @ Tengah's MSCP.

1Q 2026 (Upcoming): Shops at Parc Point will progressively open, starting with the opening of FairPrice supermarket and Gourmet Paradise food court. The NC's wellness trail will also be accessible to residents.
