

## Fast & Easy Testing (FET) For Business operators in High Risk Sectors

The Multi-Ministry Taskforce has on 18 Jun 2021, announced that staff in higher risk settings will be required to undergo a rostered routine testing (RRT) every 14 days. This is to further reduce the risk of transmission with unmasked clients or services performed under prolonged & close contact with clients.

This FET regime will be made mandatory from 15 Jul for staff in the following higher-risk settings:

- All dine-in Food & Beverage (F&B) establishments
- Personal Care Services (PCS) e.g. Hairdressing salons, barber, facial & nail services
- Gyms and fitness studios

Business owners operating in HDB's Heartland shops/ commercial complexes can refer to the following guide on the follow-up needed:
